Chairman's Message

Club activities are back in full swing following the Christmas/New Year holiday period. Our first golf day was held at Manly on Thursday, 13th March. The Bowlers have returned from a successful week at Newcastle where the members played each day at a different Club, but took time off to attend the Penfold's Classic Race Meeting at Broadmeadow on Tuesday, 26th February where they were joined by Committeemen Bruce McHugh, Tony McSweeney and the writer. Everyone had a thoroughly enjoyable day even though winners were extremely difficult to pick. Our thanks for the hospitality of the Committee of the Newcastle Jockey Club.

Our annual Tattersall's Sydney Cup Week Dinner will be held in the Club Room on Thursday, 10th April, and your application form for tickets should be completed and returned to the Club immediately.

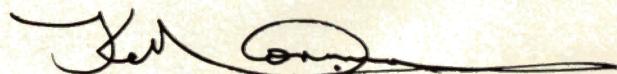

The Function was completely sold out last year well in advance, so do not hesitate to get your party together and return the form which you will find in this issue. The guest of honour this year will be the Chairman of the Australian Jockey Club, Mr Jim Carr, accompanied by Mrs Carr. Guest speaker will be Sydney jockey Ron Quinton, presently leading the jockey's premiership, and once again Des Hoysted will give a phantom call of the 1980 Sydney Cup to be run at Randwick on Saturday, 12th April.

Application forms are available for the 1980 Snooker and Billiard Tournaments and applications should be handed into the office now as the closing date is Friday, 18th April, and a record number of entries is already assured.

The connection of the Club premises to the natural gas pipeline has been completed and the kitchen was closed for installation of new cooking equipment and of course to complete the work of changing the Club's cooking and heating facilities over entirely to natural gas. The Club will no longer totally be dependent on oil supplies.

Some work has already commenced in the Club, noticeably the extensions to the gymnasium which are almost complete, and carpet samples for recarpeting the 2nd and 4th floors are presently being considered, but no further major work will start until our Secretary, Norman Smith, returns from a well earned holiday on the near north coast. On behalf of all of the Members we trust that Norman has an enjoyable holiday with good weather and good fishing.

Yours sincerely,

K.H. MOREMON, Chairman.

TATTERSALL'S CLUB CELEBRATION

The Sydney Cup Week Special Black Tie Dinner for 1980

High on the Tattersall's Club social list is the Special Dinner in Sydney Cup Week. Dinner Date is Thursday, 10th April, 1980

Last years function was an outstanding success. It was rated as the finest event of the Tattersall's year.

The same format of that happy evening will be used this year. After the 1979 dinner Premier Neville Wran and Mrs Wran were due to follow on to a further function—they delayed their departure to the very last moment.

Informality with all the friendly Tattersall's Club feeling made it a memorable night.

Members are advised to make bookings now. Tickets will be sold in order of application.

At the 1979 dinner Mrs Keith Moremon, Premier Neville Wran, Tattersall's Chairman Keith Moremon and Mrs Wran.

TATTERSALL'S MEMBER DONATES \$50,000

A meeting supporting the Sports Medicine Research Foundation was held at Tattersall's Club.

Mr. Paul Landa, Minister for Education, donated \$10,000 on behalf of the Government.

A Tattersall's member (who wishes to remain anonymous) gave \$50,000, a magnificent gesture of which we may be very proud.

The Institute of Sports Medicine was established in 1966 to provide a specialised service for anyone injured in any sport — amateur or professional — and at any level.

To date, some 35,000 people have been helped with injuries that arose from participation in 107 different sports.

Dr. Tony Millar, the founder of the Institute and an internationally known researcher in Sports Medicine heads this worthy venture.

(A full report will appear in the next issue)

Sydney Phillip Street ... "Everyone complains of his memory and no one complains of his judgement," said the Solicitor.

Newcastle Freeway ... Wife in temper to her husband driver, "If you drive more carefully I'll KILL you!"

Northbridge Sailor's Bay Road. People who live in glass houses shouldn't get stoned.

Pymble. On reflection, "The other night I brought my girlfriend home to meet my parents. They liked her but they couldn't stand me!"

Moscow announcement. The head of state is going on a twelve day tour to visit some friendly nations! What will he do with the other eleven days?

Sydney David N. Martin at the Old Tivoli. "Show me a man who keeps his two feet on the ground and I'll show you a man who can't get his pants off!"

Kings Cross—eyed thought. A Bachelor is a man who comes to work from a different direction each day.

Sydney, Macquarie Street. Doctor told me "Death is nature's way of suggesting you slow down!"

Bellevue Hill. Party conversation, "In the end there'll be only one thing that'll bridge the generation gap: money!"

Sydney, Circular Quay. If you insist upon booking on the TITANIC, there's no point in going steerage.

New Guinea. Before the war a native proudly walked down the jungle path, his wife lagging behind carrying bundles. When war came down the very same path, the wife was in front (still carrying the bundles and husband bringing up the rear). "Fuzzy this is big progress, very good!" said the padre. The native looked at the cleric and said "Not progress—land mines!"

DISTINGUISHED TATTERSALL'S CLUB MEMBER SIR TALBOT DUCKMANTON C.B.E.

Sir Talbot Duckmanton, General Manager of the Australian Broadcasting Commission, joined the ABC in Sydney in 1939, as a cadet announcer.

He was born in Melbourne on 26 October, 1921. The early part of his ABC career was interrupted by war service with the Australian Imperial Forces and the Royal Australian Air Force, in which he was a pilot. He returned to Australia in 1945, and after transfer to the RAAF Reserve of Officers, became an ABC War Correspondent in South-East Asia. Later he worked as an ABC News Reader and Special Events and Sports Commentator.

He became New South Wales Sporting Supervisor in 1949 and in February, 1950, covered the Empire Games in Auckland, New Zealand, for the ABC. In September, 1951, he was appointed the ABC's Assistant Manager in Queensland. He was promoted again in April, 1953, to the post of Manager, Tasmania. Later that year, he went to London to join the BBC's team of radio commentators for the world-wide broadcast of the Coronation of Her Majesty, Queen Elizabeth II, describing part of that historic event from the Victoria Memorial outside Buckingham Palace.

Sir Talbot Duckmanton played a key role in establishing ABC Television, and his services as a television authority have, on occasions, been made available to overseas countries. In 1960, he was a Colombo Plan adviser on television to the Pakistan Government. The following year he was UNESCO Adviser to the Israeli Government and, in 1963, to the Tanganyikan Government.

Sir Talbot was appointed Deputy General Manager of the ABC and one year later, he became General Manager.

Sir Talbot is President of the Commonwealth Broadcasting Association; a Past President of the Asia-Pacific Broadcasting Union; a Past President of Sydney Legacy; a Fellow of the Australian Institute of Management (N.S.W. Division); and a Member of the Council of the Australian Administrative Staff College. From 1970 to 1975, he was a member of the Australian Film Development Corporation (now the Australian Film Commission); he is a Trustee of the British Commonwealth International Newsfilm Agency (VISNEWS); a Trustee of the Committee for the Economic Development of Australia (CEDA); a Trustee of the International Institute of Communications, London; a past Chairman of the Council of Newington College, Sydney, the school at which he was educated.

In 1971, Sir Talbot was created a C.B.E. by Her Majesty Queen Elizabeth, for Public Service, and a Knight Bachelor in 1979.

He joined Tattersall's Club in 1962.

This energetic and vital club member uses all facilities of Tattersall's Club especially the athletic and swimming floor.

WINE POPULARITY REPORTED ON INCREASE...

Last year Australians quaffed almost 150 million litres of wine, most of it out of casks and flagons, and much of it in just four varieties—riesling, moselle, claret or burgundy.

But to the winemakers' relief, the tide is at last starting to turn. Our palates are maturing, and so are the winemakers' prospects of profits.

We've taken more than a little coaxing, but we're coming around to the better-quality wines, and we're experimenting more with varieties.

Names like malbec, pinot noir, cabernet, sauvignon blanc and chardonnay are the varietal wines in vogue, replacing the ubiquitous dry white or dry red.

And most of the major winemakers, including McWilliams, Seppelts, Lindemans and Penfolds are doing their best to help the trend along.

After a four-year sales decline, reds are finally starting to hold their own. Winemakers sold 30 million litres of red wine in 1979—an increase of around 1 per cent on the previous year's sales.

Notable however was the growth of 750ml bottle sales, up 7 per cent. Flagon sales of red wines fell by 10 per cent, but this was more than balanced by a 12 per cent rise in cask sales.

Whites continued to outsell reds by four to one. An estimated 115 million litres of whites were sold last year, an increase of 30 per cent. Cask sales rose by 60 per cent, flagons by 20 per cent, and 750ml bottles by 4 per cent.

Wine is very popular at Tattersall's Club. A good list is available and is well appreciated by members. It is rare to see a dining table without a wine. Good wines compliment a fine meal.

Tattersall's Club Members and their Ladies
are invited to attend .

For the past three years the three Seres girls, Morna, Megan and Fiona insist on celebrating their birthdays in Tattersall's magnificent Dining Room. This month Fiona celebrated her 15th birthday with special guests from Canada, Mr and Mrs Mike Usitas. Andy and the rest of the staff spoil them completely! — Just another one of the happy moments of family involvement at Tattersall's.

(This room is available, please check with office).

Member Charles Robinson uses Tattersall's Club dining room regularly and relates a very happy experience.

"I would like to record the tremendous pleasure and satisfaction that I experienced the other evening whilst at dinner at the Club. I was sitting alone when a fellow member, Mr Ted Lambert and his wife had apparently completed entertaining their granddaughter, Mistress Sarah Wilson, age ten of Tamworth, to dinner and were about to leave the Club when Mr Lambert and Sarah came to my table and after introducing themselves Mr Lambert spoke of the concern that his granddaughter Sarah had in the fact that I was dining alone and that she wished to speak to me.

"Apart from being a very beautiful child and delightfully dressed, she spoke with an eloquence that was touching and spoke of many matters that I found of interest. Mr and Mrs Lambert are to be congratulated for having such a fine lovely young girl as their grand-daughter and who, on this occasion undoubtedly set an example of the interest of youth which will, in the future, be of benefit to the Club and a sterling example for other young people to follow."

Fellow members will agree—it could only happen at Tattersall's Club—makes one feel very good.

Sir Nigel and Lady Reed, from Bay of Islands New Zealand, recently retired as Chief Justice, Northern Nigeria after some 30 years in that country. Beginning in 1946 as a Magistrate under the old British Colonial Service, he watched the country proceed to independence in 1960, carried on through difficult times in the mid 1960's, followed by a period of relative stability and then prosperity in the 70's. On retirement, he received his knighthood in recognition of a life time of distinguished service.

Club member Bill Thompson with his wife Una and family had also spent 8 years in Nigeria so it was a wonderful opportunity to relive those far off days.

Dr Keith Watts and wife Rae, made up the very pleasant party and were quite fascinated by the amusing stories and anecdotes.

The Reeds have a second home in Wiltshire, England, where the three children completed their education.

We wish them well and hope in the course of their travels to have them back again to share those wonderful days, in the warmth and charm of Tattersall's.

* * * * *
Member Peter Bradfield and his wife Rosalinde celebrated their 14th wedding anniversary at the Club. Children Sally and Lisa were there to make the happy family group.

* * *

Recently we had the privilege of having Kent Mattson from Apache Farms, Michigan, and his wife Kay, to dinner. Cecil O'Dea and his wife Joy brought them to the Club. We were interested to learn that Kent Mattson had come to Australia to judge the Friesians (Holsteins they are called in the United States) at Deniliquin where there is an outstanding Show. Kent is a well known and accepted Judge in the United States. After the Show he will stay with some of the farmers and help them to breed better type cattle. His wife Kay, who is in a church choir at Lepeer, Michigan, let us hear the quality of her voice.

EPICUREAN POOL PARTY LAUNCHES 1980 SEASON

The opening day was held at the spacious home of Chief Epicurean Vic Vadas. Brilliant sunshine, excellent food, a delightful poolside setting and friends are perfect ingredients for a happy function.

Gerry's six course barbecue was a highlight—served in relays of mouthwatering offerings. Whole suckling pig on the spit was the highlight of the lunch. Plenty of crackling too!

Swimming, sunbaking and sipping of the ample supply of wines or drinks of choice added to the enjoyment. Vic was a perfect host.

In the merry scene the Lenehan family, the Hinds, the Bacons, the Eastments, the Schahingers, the Sellens, the Hutchisons, and of course one of the most regular Epicureans, Ron Everett plus a party of five.

It was a fine Tattersall's Club gathering of members and their friends. Functions of this nature are excellent for total enjoyment.

It was rated as one of the best Epicurean gatherings which augurs well for 1980.

If you are not a member please make enquiries at the Office.

DEBONAIR CHAS COPPA LANDS JANUARY POINT SCORE

Coppa cuts and trims his handicap by three seconds in taking out the monthly Point Score with a colossal total of 45½ points, a half point short of the possible. It was bad luck for Robert Tobias with 43½ to strike Charles in such devastating form, but that's the luck of the game.

The McCormack Bros. had an interesting duel for third place with Michael 34, shading Gerald 31 for the position.

CZAR NICHOLAS NICKS FEBRUARY MONTHLY

The February Point Score went to bearded trier John Nickless with a score of 39 points from Handball Champion Michael O'Dea on 28 and John McCosker 28 dead heating for second place. Prizes have few and far between for John, but now that he has broken the ice, he may go on to further victories. Michael may have been unlucky during the month, owing to that false start episode. Keep trying "fella" the handicapper is friendly. John McCosker has been the victim of several controversial decisions during the month, but without a touch recording decision finding, it is almost impossible to separate the contestants.

In fact, on Thursdays three finals inches only separated the finalists, they were really a handicappers dream.

SILVER SHARPE TROPHY

It looks as if a potential winner has emerged from the many struggling contestants for "Tony McSweeney's Silver Sharpe Trophy". At the half way mark Mike McCormack has sprinted away with a lead of 22½ points from Charlie Coppa with Derek Jackson a half point astern followed by Alec McLelland, Nick Heath, Dan O'Connor, David Castle, Robert Tobias and Brian Duncan all within striking distance battling for the minor prize monies.

Mike is swimming with great and giant determination and would be a worthy winner of this coveted trophy.

TOM POWELL TROPHY

Again we have Mike McCormack at the head of the table with a tally of 7 wins from Chas Coppa on 6 and Brian Duncan and David Robinson 5½ with Hugh Keller, Robert Tobias, Roger Farrell and Stuart McAllum all on 5.

McCormack and Coppa may find it hard to keep their lead owing to having their handicaps reduced, only time will tell.

The first of the series of Jack Mandel's Family Event will commence on Thursday, 10th April and terminate on Thursday, 19th June. The series consist of eleven (11) relays over 40 and 80 yards. So gird up your loins for the big event.

A welcome was extended to Dr Terry O'Connor who partnered "Poppa" Danny registered a win in heat, but they bit the dust in a hotly contested final.

Fast times were recorded by the following: Roger Farrell 19-0, 19-7, 20-2; Hugh Keller 19-9, 20-1, 20-5; Michael McCormack 20-0, 20-1, 20-4; Chris Gunson 20-2; Tony Salier 20-5 and 20-8; David

Robinson 20-6 and 21-0; Martin McRobert 20-8; John Nicholas 20-6 and 21-3; Ken Tickle 21-0; Tony Berkman 21-2 and John McKeon 21-5 secs.

PARS

The Third Floor of Tattersall's is well represented in the old established firm of David Jones Ltd, such as Rod O'Loan Director, John Crawford Director of Men & Childrens Wear, Chris Dobbins Director of Hard Furnishings, Martin McRobert Merchandise Controller and David Dobbin Overseas Buyer. Healthy men keep a firm in good shape.

Noticed Bill Band acting as host on several occasions since his return from visiting his daughter in Melbourne. As a host Bill would be Al at Lloyds.

CALCUTTA AUCTION	Mon. 26th May
MATCHES COMMENCE	Tues. 27th

We hope that no one will be inconvenienced by these changes which have been caused by circumstances beyond our control. Don't forget to note the Auction date in your diary.

We would like to offer a special invitation to all new members, irrespective of their standard of play, to join us in these tournaments; and always remember that the object of the handicappers is to endeavour to equalise the chances of all competitors by handicapping each player on his known ability. If you are an "unknown", then I suggest that you visit the second floor during the lunch hour or cocktail hour and discuss your form with one of the sub-committee who will be happy to introduce you to other players and will also test your skill (or lack of it) on the tables. By following this course you will be fairly assessed and will not be penalised through our ignorance of your form. We confidently look forward to 1980 being a bumper year and issue a warm welcome to all players—old and new.

N.B. Sub-committee members are listed on the inside front cover.

The Winfield Masters Tournament reported in the last issue has also been altered and will now be played in a more compact form, commencing Wed. 18th June and finishing Sat. 21st June. There will be two sessions daily and these matches will be televised by the A.B.C.

One of our newest members is John Campbell, currently Australian Amateur Snooker Champion who gave a remarkable demonstration of skill when he recently beat the famous professional champion Eddie Charlton over a match of twenty nine frames. John won a hard fought battle by fifteen frames to thirteen and we all join in congratulating him on this fine achievement. John is only twenty six years old so the future must look very bright in his favourite sport. This was a testimonial event, the proceeds going to the widow of the late Kevin Burles who died suddenly on the eve of the last Australian Championship final.

DATE

Tattersall's Club Swimmers to Compete in Hawaii.

Twelve members of Tattersall's Club will have the honour to represent the Club in the 11th Annual Maui Channel Relay Race on Saturday, August 30 this year. They will be members of two Tattersall's Club teams each comprising six swimmers to compete in this International Event.

This race is organized by our kindred club in Hawaii, the Outrigger Canoe Club and is over a distance of nine miles, starting from the beach at Lanai Island and finishing on the beach at the old whaling town of Lahaina on Maui.

It is anticipated that approximately ten teams will participate, coming from such diverse places as Tahiti, Vancouver, San Francisco, Los Angeles and Dallas. Our Clubs entry is the first from Australia and we have high hopes of bringing the "Duke Bowl" back to Australia for the first time. All Swimmers must be 25 years or older and will each swim for thirty minutes, at the end of three hours, each swimmer will swim for a further ten minutes in team rotation until the team finishes. Depending on weather conditions, on the day, the race time could be anything from 3 hours 17 minutes (the current record) to over 4 hours.

Swimmers do not swim in cages as this is considered unnecessary. During the ten races held we are told that sharks have never been sighted. An escort boat accompanies each team and stays close to its own swimmer.

At the present time we have at least fourteen Club Members in training for this event and from this group twelve will be selected to represent us.

Our No. 1 team will be a formidable line up as you will observe from the list of swimmers published later in this article. Regrettably our greatest long distance swimmer is not eligible to swim in this particular event, however we anticipate Des Renford to be named as team captain and joint selector and so will play a major role in the preparation of the team. We understand that Des

will again be swimming the English Channel during the coming European summer and it is hoped he will be able to join us in Honolulu on his way home.

Our prospective teams will be selected from the following who have advised that they have commenced training.

David Barnett, Paul Blake, Bill Hannan, Alex Hillston, Martin McRobert, Brian Mortenson, Neil Rogers, Ron Rogers, Greg Rogers, Gordon Salier, Harry Turner, Denis Wilson.

In addition John Nicholas and Lee Emery are considering the possibilities of joining in. One further swimmer also a former Olympian cannot be listed at present because his Club membership has not yet been processed.

This trip is not restricted to males only, many wives and some children will be in the group and we stress that all club members and friends are welcome to come along. All the more the merrier!

Anyone interested should contact Bob Lavigne at Astronaut for further details. At present there is a 10 day and a 12 day group available, in addition, for those wishing to stay longer and/or to include America in the trip, an additional group is being organised. Cost for 10 days is \$1,095 and for 12 days \$1,195. This comprises all airfares, including to and from Maui, hotel accommodation at the Royal Hawaiian in Honolulu and either the Sheraton or Maui Surf at Maui. Both groups will spend four days on Maui and the rest of the time at the Royal Hawaiian.

The first group leaves Sydney on August 23rd and the second group two days later.

Aircraft seats for groups are limited, therefore deposits of \$100 should be lodged as soon as possible with Astronaut. If at a later time you are unable to go, such deposits are refundable.

Although the reason for the trip is to compete in and if possible win the Maui Channel Race, all thoughts are not centred on the

race only. We are sure that everyone who goes to Honolulu on this venture will have an enjoyable holiday.

Following are some of the achievements by a number of our possible team swimmers. The writer had great difficulty obtaining this information and it would appear that modesty prevails amongst some of our swimmers, we know that they are all capable of swimming for a least thirty minutes at good speed through rough water, which most of us cannot do, however, they are most reluctant to reveal past achievements.

Former Club Champion Balmoral A.S.C., the Spit A.S.C. water polo player both clubs. Also with Freshwater S.L.S.C. record holder for 8 years and twice winner of 1500 metres open water swim Balmoral Beach Club.

HANDBALL NOTES

by Peter Ashby

The draw for this year's club championships are on the notice boards on the second and third floors. The first round will be completed by the 1st April.

From then players will be hustled and hustled by sundry tournament organisers.

Do enter your names (and 'phone numbers if they have been recently changed) on the sheets provided for nominations on the notice boards. You are asked to accede to any alterations which are deemed necessary in standard classifications with equanimity.

A novice, for Tattersall's handball purposes, shall be a player unsuccessful in any (repeat ANY) Club competition. Certain additions or deletions of entrants may be forced upon your committee, which will possibly add to their equanimity.

Your honest and honorary treasurer, C Grade Champion, DAVID DOBBIN will accept your annual subscriptions to the Handball Club of \$3.00 with a cheerful smile. Your committee introduced this small fee for membership to this exclusive band of outstanding sportsmen following persistent demands by many members. Keep David smiling!

Mark these dates in your dairy but please do not overlook the necessity to enter for each event. **Tattersall's Plate**

First Round Tuesday, 19th June, 1979—Mini Smorgo; Second Round to be finalised by Friday, 4th July, 1980; Semis by Friday, 15th August, 1980.

Presentation Night and final of Tattersall's Plate—Tuesday, 16th September, 1980 & Traditional Smorgo to follow.

Enter in the N.S.W. one wall Handball Singles Championship. You may be beaten but you should have reason to smile.

Entries are now being taken for the A, B, & C Grade Cham-

pionships, the "John Barnes Play as you Come" Doubles and Novice Hcp.

So place your name on the Notice Board without delay.

'BALL PARS

Noticed Bob Lipman and Bill Hannan (Snr) getting in some solid practise. Bobby has certainly shown championship form, but somehow cannot land the coveted trophy to figure amongst "Tattersall's" handball "Greats".

As for that never grow old Bill Hannan (Weight for Age and Poundage) would be one of the greatest players of all times—C. Hannan, a brother won the Australian Doubles Championship partnered by E. Mallett in 1922.

Suggestion by a member

Any player who is prepared to try for winning angle shots should and would have this opportunity if the areas of the court were extended in width 3 inches on both courts.

If space was not available, widen one court for championship play. A trophy for the Most Improved Player is awarded each year and many of the young enthusiastic are eligible for this trophy.

CLUB NOTES

Know Your Bookmaker

W.J.(Bill) McHUGH

The product of a racing family whose father was a jockey and later a trainer, Bill in his own words "found bookmaking a better proposition than punting to earn a living".

He progressed to the rails through formidable opposition when the ranks of bookmaking at Randwick contained up to 100 stands in each of three enclosures with a long list of Bookmakers waiting and operating around the provincial and country towns.

Father to Bruce, who is a Tattersall's Club Committeeman and very successful rails bookmaker. Bill's younger son, Alan is a Grazier in the Tamworth District.

Bill's genial manner carried him through the good and bad days. He stands on the rails at all Meetings and is a credit to the profession.
